Welcome to the Course

The screenshot shows a video player with a title card that reads: "12.340x Global Warming Science", "Kerry Emanuel, Daniel Cziczo, and David McGee, Instructors", and "With Introductions by Heidi Cullen". Below the title card, it says "Welcome to Course 12.340x, Global Warming Science." The video player controls show a progress bar at 0:03 / 6:34, a 1.0x speed button, and other standard video controls. To the right of the video player, there is a transcript area with the following text: "Welcome to Course 12.340x, Global Warming Science. I'm Kerry Emanuel. Together with my fellow instructors Dan Cziczo and David McGee, I'll be taking you through this course of instruction on one of the most interesting problems in the natural sciences. We'd like to begin by thanking Heidi Cullen". Below the video player, there are two tabs: "Video" with a "Download video file" link, and "Transcripts" with a "Download transcript" link.
